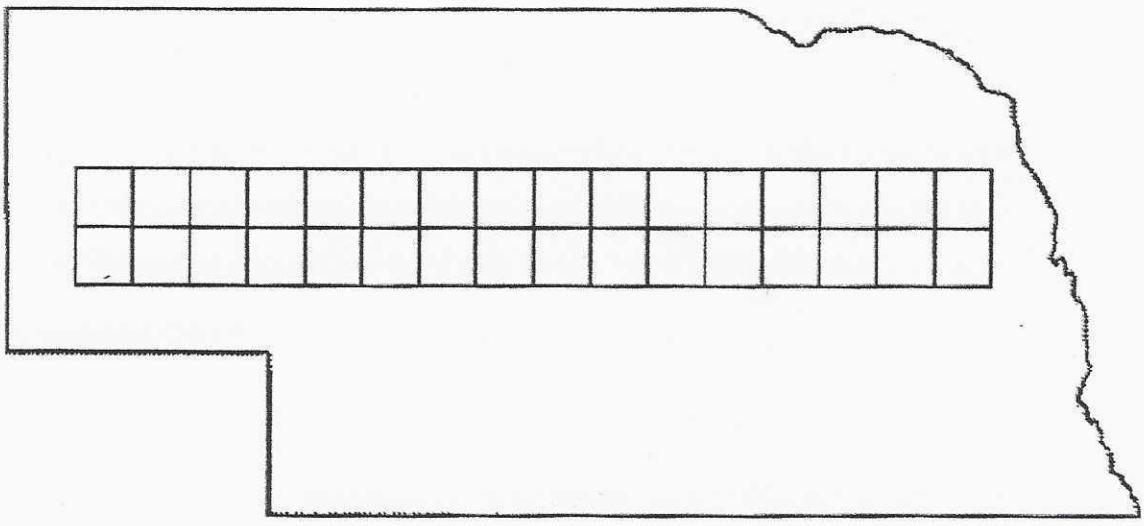
Johnson Lake Trails - Be a part of it!

For a donation of $100 you can be a part of the Johnson Lake Trails project. Your name/message will be engraved in a Nebraska-shaped brick. These will be set in the concrete along the trail or used to enhance the rest areas to recognize those people who helped make this trail a reality. The bricks are made and engraved by Endicott Clay Products, a Nebraska company. Each brick is 4" x 8" and has space for two lines of 16 characters. Just think – if you get one for each child or grandchild, when the trails complete you can take them to walk the trail and find their name preserved for years to come. Or you can provide a lasting memorial for someone that loved the lake area.

Donations are tax deductable and can be sent to the Johnson Lake Trails Fund, c/o Lexington Community Foundation, P.O Box 422, Lexington, NE 68850. Please fill out the form below and return it with your check. Check your message carefully for wording and spelling. Your signature confirms that the message is approved for engraving into the brick.

Name: _____ Signature _____

Address _____ Phone _____


Print carefully, one letter inside each box for engraving the brick:
